

## *Pentastic Hot Jazz & Music Festival Society*

### **24th Annual Jazz Festival Sponsorship**

*September 9, 10 and 11, 2022*

Valued Sponsor of the Pentastic Jazz Festival:

With much needed financial support from the community, we are able to continue to bring in high caliber bands making our festival one of the best and largest in Western Canada and the United States. This shoulder season festival extends our tourist season bringing visitors from throughout B.C., Alberta, and the United States to enjoy not only the music, but also the many other things that Penticton has to offer. **Without sponsor backing it would be impossible to put on this quality of festival and to give back to our community - for this we thank you sincerely.**

We are a diverse board of directors that volunteer our time year round to ensure a well-run and entertaining weekend and we are very fortunate to have many great volunteers who help during the event.

Each year we are able to donate money to both the local high school music programs and excess festival funds are used to support the S.S. Sicamous Restoration Society (a favourite venue). We recognize the support of our valuable sponsors through festival programs, rack cards, posters, advertising, social media, email blasts, press releases, sponsor supplied signs and banners at the festival venues and on our website: [www.pentasticjazz.com](http://www.pentasticjazz.com).

To show our **appreciation** of your financial support we invite our Platinum through Bronze sponsors to a special **“Kick-Off Party”** on Thursday, September 8th, 2022
